Prabhu Pathak

Web Developer

Mobile: +91-6395902032
Linkedin: prabhu-12105248
Github: github.com/prabhu-ji
Email: prabhuji2910@gmail.com

SKILLS

Languages: C++, JavaScript, Java, PL/SQL, Linux Shell
Tool / Frameworks: HTML, CSS, React.js, Node.js, Express
Databases: MongoDB, MySQL, PostgreSQL
Design Tools: Figma (UX), Java NetBeans(IDEs)
Skills: Teamwork, Creative Thinking, Strong Interpersonal Skills, Adaptability

TRAINING

360VITY INFOSOURCE (OPC) *Front End Developer Intern*   May 23 - Jul 23

- 360VITY INFOSOURCE (OPC) PRIVATE LIMITED specializes in computer and related activities. Provides innovative computer and related activities. Integrates advanced technologies to enhance backend infrastructure and user interfaces.
- Gained hands-on experience under expert guidance, learning advanced technologies and best practices.
- Contributed to a project improving backend systems and user interfaces, integrating advanced technologies to enhance performance.
- Tech stacks used: HTML, CSS, JavaScript, React.js, Node.js

PROJECTS

- **Mini Library**   May-24
  - Created an intuitive platform for managing book inventories.
  - Implemented dynamic data handling, secure user authentication, and an admin panel for efficient book inventory.
  - Built as a single-page application with React.js for reduced loading times, with future scope for advanced search.
  - **Tech**: React.js, CRUD operations, UI/UX design
- **Mines & Gems Game**   Apr-24
  - Developed a React-based Minesweeper-inspired game with bomb and gem mechanics.
  - Enhanced React.js proficiency and UI/UX design while expanding knowledge in game development.
  - Utilized React's efficiency for responsive gameplay and potential revenue generation through in-game features.
  - **Tech**: React.js, Game development, UI/UX design
- **The Confession Room**   Apr-24
  - Created an anonymous confession platform with user authentication using Express.js and MongoDB.
  - Implemented user registration, secure login, and anonymous posting features.
  - Advanced backend development skills, expertise in authentication mechanisms, and proficient database integration with Node.js technologies.
  - **Tech**: Node.js, Express.js, MongoDB, Authentication

CERTIFICATES

- React Basics - *by Coursera*   Feb, 24
- Data Structures & Algorithm - *by IBM*   Oct, 22
- Hardware & Operating Systems - *by Coursera*   Apr, 23
- SQL for Data Science - *by Great Learning*   Oct, 22

ACHIEVEMENTS

- **5 Star JAVA coder**:   Feb-2024
  Earned a 5-star badge in Java programming on HackerRank.
- **LeetCode Ace:**   May-2024
  Solved over 400 coding problems on LeetCode.

EDUCATION

- **Lovely Professional University**   2021-25
  Bachelor of Technology - Computer Science and Engineering; ***CGPA: 8.14***
- **St. Francis Inter College, Uttar Pradesh**   2020-21
  Intermediate; Percentage: 88.6%
- **St. Francis Inter College, Uttar Pradesh**   2018-19
  Matriculation; Percentage: 96%
